MEMORANDUM FOR DISTRIBUTION LIST

Subj: Center for Naval Analyses Research Contribution

Encl: (1) CNA Research Contribution 585, *Military Herald Indices, Volumes I and II*, by Allan S. Rehm, Lauren Van Metre, and Charles B. Hall, Unclassified, November 1988

1. Enclosure (1) is forwarded as a matter of possible interest.
2. This is one of several publications prepared in connection with CNA's Analyzing Soviet Military Press project. This Research Contribution lists all articles published in the *Military Herald* from 1975 through 1979. Volume I lists the articles in chronological order, and then in alphabetical order by author. Volume II is a title index that lists the titles alphabetically by each key word found in the title.
3. Research Contributions are distributed for their potential value in other studies and analyses. They do not necessarily represent the opinion of the Department of the Navy.
4. When no longer desired for retention, the enclosures should be destroyed in accordance with current security regulations.

ABSTRACT

This group of indices lists all articles published in the Soviet military journal *Voyennyy vestnik* (or *Military Herald*) from 1975 through 1979. The indices have been compiled from available FSTC translations of the article titles. If they were not available, the titles were translated by the staff at the Center for Naval Analyses.

Volume I contains two sections. Section 1 lists the articles in chronological order. In Section 2 the articles have been arranged alphabetically by author. Volume II is a title index that lists the titles alphabetically by each key word in the title. These indices will be useful, for example, to researchers desiring to obtain all articles written on a specific subject regardless of author, articles by a particular author, or articles appearing in certain issues of *Voyennyy vestnik*.
